

Notice of Extension Statement of Corporate Intent

1 July 2020 – 30 June 2023

Notice of Extension to FY2021-FY2023 Statement of Corporate Intent

Due to the uncertainties of the COVID-19 environment, Quotable Value has been granted an extension by Hon Shane Jones to the delivery timeframe of the Statement of Corporate Intent (SCI) from 30 June 2020 to 31 July 2020. The extension was sought on the basis that our future revenue was difficult to assess and our key people were diverted from the draft SCI preparation onto the strategic and operational response to COVID-19.
